

Electrical Sales Inc.

 A WinSupply Company

- Electrical Sales, Inc., established in 1984, is your full line electrical distributor based in southern California
- Our sales support staff with over 200 years of experience in the electrical industry has the knowledge to support your needs
- With an inventory stock level at \$1.6M and a 30,000 sq. ft. warehouse centrally located in San Diego County, our goal is to have what you need when you need it
- We offer customized stocking programs for our qualified OEMs, industrial and contract manufacturing customers
- Our long relationships with leading industry vendor partners gives us the ability to offer special pricing contracts to be competitive in the market place
- We service the United States as well as Mexico
- Our job is to make your job easier!

We have a long-standing relationship with preferred panel builder JFR Controls, who has over 20 years of experience

in building industrial control panels.

They are a UL 508A certified panel shop specializing in panel drawing, development, execution, and product integration.
